

Setting up Application Environment

Create IBM Cloud Account

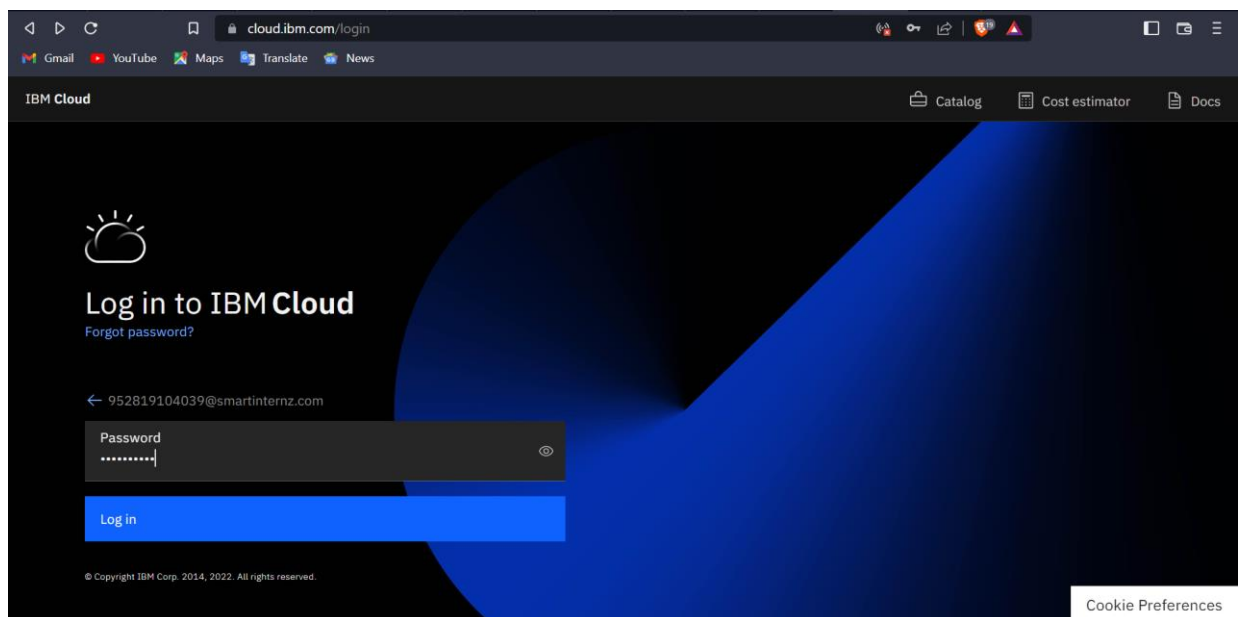

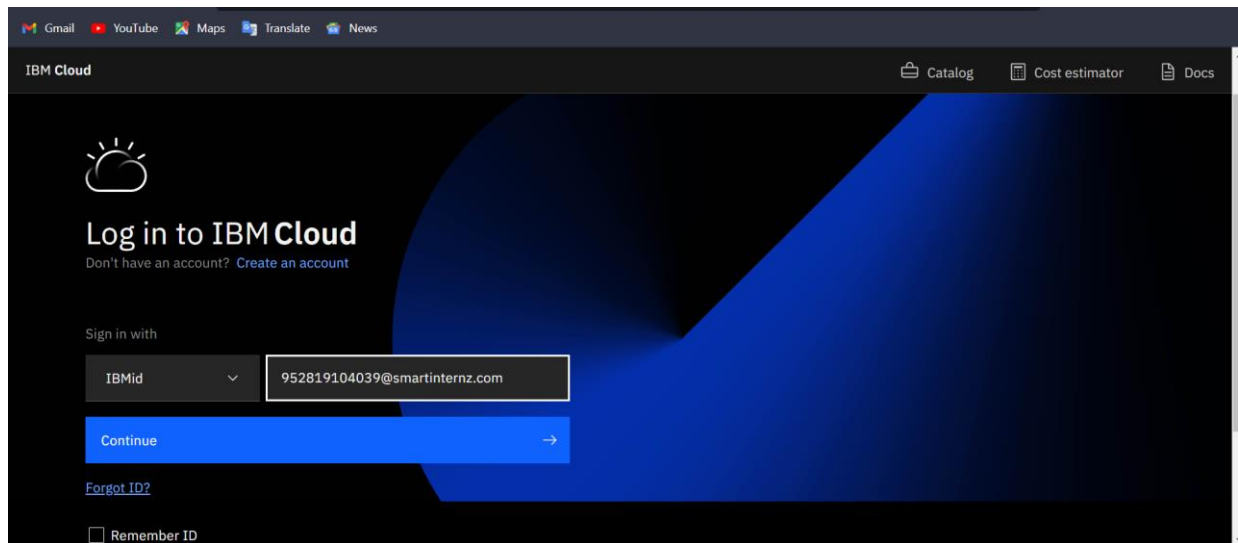

Step 1:

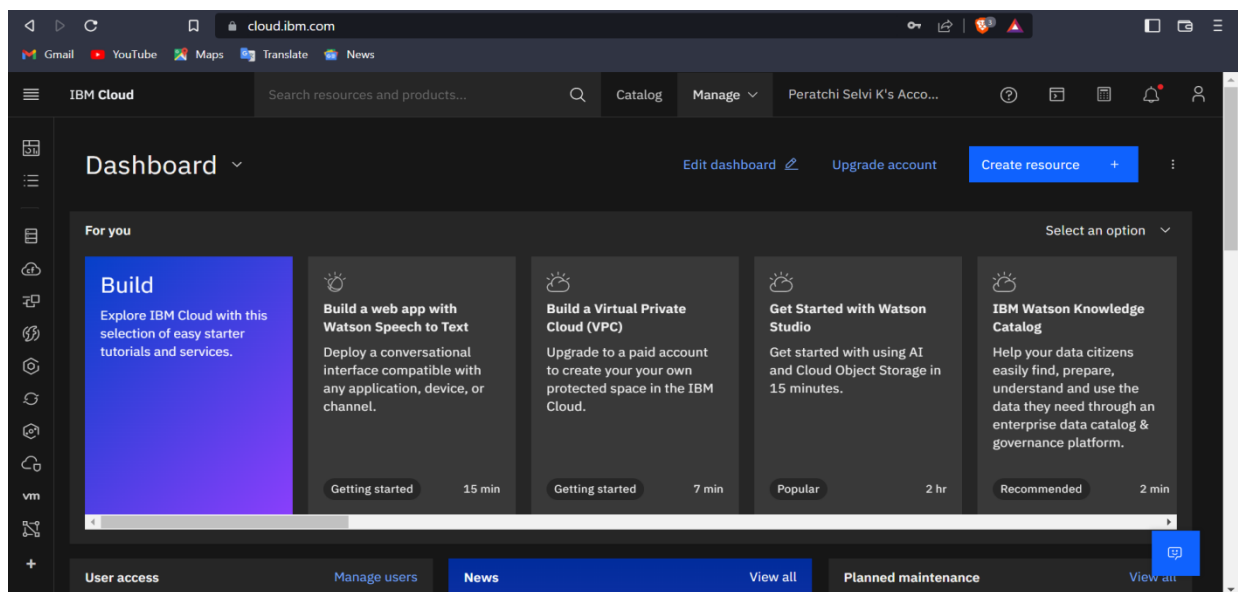

Navigate to ibm.com/academic and register with your smartinternz mail

The screenshot shows the registration form on the IBM SkillsBuild Software Downloads page. On the left is a vertical image of two female students working on a laptop. The main content area has the heading "Enter your academic institution issued email to begin". Below this is a paragraph: "Only the students and faculty of participating academic institutions are eligible to access this website. Please enter your academic institution issued email below to register." There is a text input field containing the email address "952819104039@smartinternz.com". Below the input field is a link: "Find answers in our frequently asked questions". At the bottom of the form is a blue "Submit" button. In the bottom right corner, there is a "Cookie Preferences" link.

Step 2:

Now goto cloud.ibm.com and login with your registered mail id along with coupon code obtained from ibm.com/academic

Output:

Cloud account created successfully.
